

Student Help

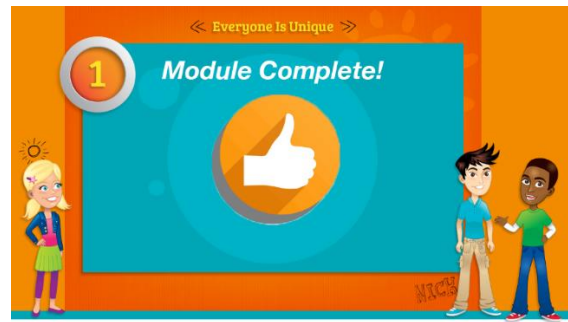

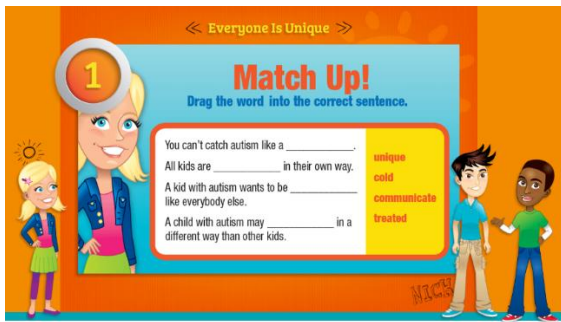

Homepage: Click a button to begin.

Video: On the next page, a short video will play. You can pause and play the video. When it ends, wait. An activity game will appear automatically.

Activity: Follow the instructions on the screen. The sounds will tell you if your answers are right or wrong. When you finish the activity, you will see a message, “Module Complete!” Wait a few seconds. The website will take you back to the home page.

Goal: The home page will show checkmarks (✓) next to the modules you finished. Complete all eight modules and receive an award!
